

PASTOR'S CORNER

Annual Report of Saint Vincent DePaul Conference to Parishioners (Submitted by Shasta Hatter)

Thank you to everyone who donated to SVdP during the past year. Whether you gave food, toiletries, money, time or energy, it was all put to good use helping those in our community who were in need. And here is what you accomplished:

Through the year the St Therese Conference helped 821 families with food boxes, 68 families with rent, and 116 families with utilities. Our help with rent often prevented families from being evicted. Help with utilities prevented shut-off, or in many cases got essential services turned back on. In the cold of winter last year, we had 5 requests for assistance with utilities in just one day. All five families were facing shut off of their heating source. We were able to get service continued for all five families. Your monetary donations allowed us to provide this help. Thank you.

SVdP is again collecting food at the Mass on Thanksgiving Day at 9 am. Protein items such as canned meat and tuna are always needed. We are hoping to get canned hams for distribution in our December food boxes. Canned fruit and vegetables are also needed. Any non-perishable food item is welcome. All donations large and small are appreciated and will be put to good use.

On Friday morning at 9:00 am SVdP will have a gathering in the pantry to sort and check for expiration dates on the food collected at Thanksgiving. If you are free, please come help.

Thank you all for your generous support. With your support, we can continue to serve the poor of our community.

Happy Thanksgiving.

Thank you for your time.

Many thanks to our tireless SVdP members and the great service they provide! Happy Thanksgiving!!

Fr. Stephen Geer
